Sir,

In G.O.No.1778 L & M., dated 16-5-1932, the Government have laid down that the maximum amount of expenditure which may be incurred by a Taluk Board on a medical establishment including clerks and menials shall not without the specific sanction of Government exceed Rs20/- per annum per patient on the daily average of both inpatients and outpatients.

2 In the case of the L.F.Dispensary, Moodbidri under this Board the daily average of inpatients and outpatients treated was 57.12(0.36 in-patients and 56.76 outpatients). The cost of establishment of the Dispensary

T Gm
25/11

including Provident Fund Contribution etc.

amounted to Rs2254/- as against Rs1142 the amount permissible under the Government order calculated at Rs20/- per annum on the said average daily attendance. The excess cost amounts to -- Rs1112 or Rs38 per annum per patient.

3 The following are the details of establishment of the Dispensary:--

	Scale of pay.	Actual pay drawn in 1932-33
One L.F.Sub Assistant Surgeon	75- 3-120	Rs86
One Compounder	25- 1- 35	Rs28
One Midwife	25- 1- 35	Rs29
One ward attendant	10- ½- 15	Rs14½

4 The Taluk Board has in view to retrenchment effected a cut --of 10% in the above actual salary of each incumbent with effect from 1-4-1933 even though such a measure has caused hardship and -- discontent to the Medical establishment.

5 Reduction of establishment or any further reduction in -- salary so as to bring down the cost to the limit prescribed is not possible without impairing the efficiency of the institution. I need hardly point out that the rates of pay allowed by the Taluk Board are less than what the Government are paying to similar -- establishments in Government medical institutions.

6 I request therefore that the Government may be pleased to sanction the expenditure incurred in excess of the prescribed limit in 1932-33 and to permit the Taluk Board to pay from 1933-34 and onwards the establishment of the said Dispensary according to the scale of pay as noted above and already sanctioned for each post.

A copy of the audit objection on the subject is enclosed.

I have the honour to be,
Sir,
Your most obedient servant,

President,
Karkal Taluk Board.

Sir,

Reference:-- Letter R.C.No. 800/K.T.B. of 1933 dated 11-12-1933 from the President, Taluk Board, Karkal.

Forwarded.

2. In applying the maximum limit of expenditure fixed in G.O. No. 1778 L. & M., dated 16th May 1932, the total ex-
-penditure incurred by a Taluk Board on medical establish-
-ments employed in the various institutions maintained by it should be compared with the aggregate daily average attend-
of in-patients and out-patients treated in all the institut-

in

in any one year. According to the details furnished by the Presi-dent, Taluk Board, Karkal, the maximum annual expenditure which will have to be incurred by the Taluk Board on the establishment on the basis of the existing scales of pay and allowances works out to Rs.5056/-. This figure does not include the pay of the Government medical officer employed in the Local Fund Hospital at Karkal (a Taluk Headquarters medical institution) whose pay is entirely born from Provincial Funds. I therefore recommend that the maximum annual expenditure on medical establishment in the case of this Taluk Board may be fixed at Rs.10,000/- as per details given below:---

(1)	Maximum expenditure as proposed by the President, Taluk Board.	Rs. 5056
(2)	Add pay of the medical officer employed in the Local Fund Hos-pital, Karkal, at Rs.344/- per mensem.	" 4128
(3)	Leave allowances, pensionary charges, bonus, provident fund contribution etc., for the staff.	" 816 (roughly)
